**anamed Malawi**  
**A CORDIAL INVITATION to attend a**  
**Training seminar in Natural Medicine 2023**

---

anamed (Action for Natural Medicine, see [www.anamed-edition.com](http://www.anamed-edition.com)) from Malawi invites development workers, missionaries, doctors, nurses, scientists etc. to attend our training seminar in Natural Medicine, as long as places are available.

The seminar will be at BACOMA Agricultural Training Farm, in Ntcheu District, Bawi, Kabwazi

**Date:** Monday 26<sup>th</sup> June 2023, to Saturday 1<sup>st</sup> July 2023, 11a.m.

**Language:** Only English

**Venue:** **BACOMA Agricultural Training Farm**, Ntcheu, (direct along the M1, close to Salima turn off, for directions please contact us with below numbers)

**Tutors:** Karin Schwarz and team

This is just to say that we from **anamed** are very happy to meet you soon! We are very busy in preparing, and there are some important matters that we want to communicate with you.

- Your **arrival** should be on **Sunday afternoon (latest 5p.m.)** so that we really can start on Monday morning after breakfast. Participants arriving later than Monday morning will not get any certificate.
- The **certificates** will be given on **Saturday**. So, if you leave earlier, you will not get any certificate. This is to ensure that you got all the important knowledge! You may leave afterwards.
- The fees cover **facilitation books, posters, materials needed, food and accommodation**. If you want to buy additional copies for your NGO, you are welcome to do so on a good price, as long as they are available.
- Bed sheets, towels and mosquito nets are available.
- Any translations during the course will be done by the participants themselves!

**Fee for the seminar**

The participation fee for African people or expatriates living in Africa is 197 Euros, or 210.000 kwacha. For people travelling from Europe the price is 394 Euros or 420.000 kwacha. This is an all-inclusive price, with food, accommodation, books, some seeds, a poster and all seminar materials. Transport costs and any insurance required remains the responsibility of the participant. If participants require more books and posters for their project, they will be available for sale at a reduced price during the seminar.

**Payment of the fee:** By 12<sup>st</sup> June 2023 we would like to receive a booking fee of 20%, in Euro, US dollars that we can prepare well. **Standard Bank account Ntcheu Branch, No. 91 0000 5169558, more details please contact us on below numbers.**

**The following are important aspects of our seminars:**

1. Our emphasis on working at the grassroots, encouraging and supporting local people in developing and extending the skills they already have.
2. By introducing **Artemisia annua**, enabling healers, pastors, missionaries, and health workers to become much more independent and successful in their treatment of malaria.
3. After the seminar, participants will be able to treat Malaria effectively with medicinal plants, with **Artemisia annua**. Each participant will be given seeds and be taught how to grow this delicate but

extremely valuable plant. Furthermore, participants will be able to recognize at least 20 other medicinal plants, to produce different soaps, different medicinal oils and ointments, black stones for snakebites and to use and construct a solar oven, etc.

4. It is important that all participants have a commitment both to practicing what they learn and to teaching others, for example by conducting a similar seminar in Natural Medicine themselves, at least for a weekend.
  5. It must be made clear to all prospective participants that they receive no fees for their attendance.
  6. Transport costs must be met by the participants, their employer or sponsor
  7. Those participants who are **Christians should bring with them a Bible**. (Every day starts with a devotion, participation in that is voluntary)
  8. All participants should bring plant material of five medicinal plants from their region.
